Dear Sir/Madam,

Sub: Disclosure under Regulation 30 (3) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015- Impact of CoVID-19.

Dear Sir,

The Company has been taking all precautions, adopting social distancing and other safety measures as per the Central & State Government as well as local administration guidelines across its operations in the Corporate office at Hyderabad and manufacturing facilities located at Andhra Pradesh & Telangana for prevention and containment of COVID-19.

The company has assessed to the fair extent, the impact of ability to service debt and other financing arrangements, capital and financial resources, assets, internal financial reporting and control and supply chain and found that these will not be adversely impacted. Other than marginal delays in receipt of the payments from the customers, the Company has not faced any major cash flow issues during the lockdown period. All the manufacturing units and Corporate office of the Company are functioning during the lockdown, as pharmaceuticals are in the category of essential commodities by taking safety measure as mentioned above for our employees.

The company is assessing the future impact of COVID-19 on its operations, profitability liquidity position, and demand for its products/services. The company will update on these issues by the time of publishing the quarterly and annual financial results.

This is for your information and records.

Thanking You,

Yours faithfully  
For SMS Pharmaceuticals Limited
